

NIHAT GULIYEV

JAVA SOFTWARE DEVELOPER

ABOUT

Passionate and dedicated backend developer with a strong focus on Java programming. I thrive on solving complex problems and delivering efficient, scalable, and high-quality backend solutions. My expertise lies in the Spring framework, where I have gained hands-on experience with Spring Boot, Spring Security, Spring MVC, and Spring Data. I enjoy building and consuming RESTful APIs to ensure seamless communication between frontend and backend components.
